Dear Cardinal Newman Alumni,

It's Reunion Time and we are very excited to welcome you back to Crusader Country. We would love to be a part of your reunion and are looking forward to being a part of your celebration.

We are here to help you celebrate another memorable Newman moment with your classmates. Mary Martens, Alumni Coordinator together with Kirsten Johnson, Director of Advancement can help you make this reunion special. Here are just a few ways we may help you...

- Organize a pre-game reunion cocktail party in the Crusader Café at one of our home football games.
- Organize and promote special "Reserved Seating" for the game and special acknowledgment of your class during half time.
- Arrange for Sunday Mass to be celebrated in the CN chapel with a continental breakfast immediately following in the media center.

We encourage your reunion to present a class gift to your "Alma Mater". Contributing to the Scholarship Assistance program would be a great way to ensure that others have the opportunity to experience Crusader Country as you did years ago.

We are happy to help in whatever way we can to make this another Crusader Memory for you and your classmates! Please give Mary a call at 561-471-0241, ext 1047 or email at [mmartens@cardinalnewman.com](mailto:mmartens@cardinalnewman.com) and we'll get started!

Go Crusaders!

God Bless,

Rev. David Carr  
President
